IT'S TIME TO ORDER YOUR FALL SUIT AND OVERCOAT

Honest Advertising Pays Best in the End

I am not offering any ridiculous reductions on new fall and winter suits and overcoats, to try and excite the men and young men of Washington. I AM BUSY—VERY BUSY—without resorting to this method of advertising. When it comes to giving value in tailoring for your dollars no other tailor has anything on me. Come and get samples and prices, take them around to any other tailoring shops and try to duplicate them. I know you will come back, because they can't meet them.

There Is No Scarcity of Woolens

All a tailor needs is the price to buy, them, and I have bought heavily. Every conceivable style, pattern and color that is new is piled high on my tables. You will find hundreds of suitings and overcoatings that will suit your fancy among this big, new stock of woolens.

Whether You Know Clothes Values or Not

—this much is certain—your judgment cannot possibly go wrong if you have your suit and overcoat made to order at OMOHUNDRO'S, where every suit and overcoat is sure to be right, because it is backed by Omohundro's unlimited guarantee of your own absolute satisfaction as to the fit and quality—your money refunded without question if we fail to please.

Home Club League Will Close Season This Week.

But for the rain of Friday, the Home Club Interclub Tennis League would have closed its season yesterday afternoon. Some few matches were necessarily postponed, however, and will carry over to this week, during which the league will play its last two matches in doubles and cannot be pushed from first place, but the fight between Mines, Geological Survey and Pension Office for second position is a hot one and will keep their followers interested until the last match is played. The standing of the teams:

Played	Won	Lost	Pts.
Miners	17	6	179
Geological Survey	10	10	100
Pension Office	10	10	100
Geological Survey	10	10	100

Big Score for Vanderbilt.

NASHVILLE, Tenn., October 2.—On a slippery field Vanderbilt won from the Southern Presbyterian University, 41 to 6, scoring all its points in the first half. In the final quarter the Presbyterians began to reel off short forward passes that worried Vanderbilt and the latter's attack crumbled.

GOLFERS AT COLUMBIA CLOSE MONTHLY PLAY

September Tourney Winds Up Events of This Kind for the Season.

Columbia Country Club golfers expect to close up their September tournament this week, when the final rounds of the two sixteens and consolation will be gotten out of the way. This will be the last of the monthly tournaments until next June.

During the week just closed, the semi-final rounds were decided, while in the consolation of the second flight the final round also was completed. The usual handicap rule—requiring the lower handicapped player to start his opponent a number of holes up equal to half the difference in their ratings, with the fraction "one-half" to count, was in force, but in spite of the most of the matches were rather one-sided.

The best match was furnished by W. H. R. Brandenburg and Frank Govern in the semi-finals of the second flight, the former winning after thirty-six holes of play. On their first round, first one led and then the other, the eighteenth hole finding them all even, and making another round necessary. The second round started off like the first and at the turn Brandenburg had a small lead, which he managed to in-

crease as the match progressed, finally winning out, 2 up and 1.

In the consolation of the first sixteen F. S. Perry and H. P. Cobey had a pretty battle, the latter losing out on the last few holes.

E. M. Posey won the only final round played, beating Perry, 5 up and 4, for the prize in the consolation of the first flight.

The Summaries.

First sixteen, semi-final round—Robinson White defeated Edward B. Eason, Jr., by default; Harris N. Brown defeated Albert R. MacKenzie by 4 up and 2 to play.

Second sixteen, semi-final round—Dr. William H. R. Brandenburg defeated Frank Govern by 2 up and 1 at 36 holes; John A. Kraft defeated William H. West.

CONSOLATIONS.

First sixteen, semi-final round—F. Scott Perry defeated Dr. Howard F. Cobey by 1½ up; E. M. Posey defeated Donald Woodward by default.

Final round—E. M. Posey defeated F. Scott Perry by 5 up and 4 to play.

Second sixteen—No matches played.

Chiefs Jump Into Lead.

PITTSBURGH, October 2.—Chicago jumped into the lead in the Federal League by defeating Pittsburgh in both games of a double-header here today. The score in the first was 8 to 5 and in the last 6 to 5, eleven innings.

In the first contest the Rebels used six pitchers, while Brown kept the locals hits scattered except in the ninth inning, when four safeties scored two runs.

The second game went into extra in-

nings after Pittsburgh tied the count in the ninth. After holding the locals to one hit Prendergast passed Berghammer. The next two were easy outs, but Pechous erred on the third man and Kelley followed with a triple, scoring Berghammer and Oakes and then felled himself on Mowrey's single. Five hits in the eleventh inning, however, resulted in three runs for Chicago. Scores:

FIRST GAME.	R. H. E.
Chicago	0 2 2 4 0 0 0 0 0 5 12 1
Pittsburgh	1 0 0 0 1 0 1 0 2 5 16 0
Batteries—Brown and Wilson; Ketter, Dickson, Comstock, Hearn, Brathwood, Miljus and O'Connor, Berry.	

SECOND GAME.	R. H. E.

Pittsburgh	0 0 0 0 0 0 0 0 0 3 3 2
Batteries—Prendergast and Wilson; Barger and Berry.	

St. Louis Drops Back.

ST. LOUIS, October 2.—St. Louis lost nines after Pittsburgh tied the count in and dropped from second to third place in the pennant race while Chicago scored a double victory over Pittsburgh.

Cullop pitched but seven balls in the fourth inning, throwing out the St. Louis batters in one, two, three order. The first two men went out on one pitched ball each.

In the fifth inning Easterly and Perling scored on Cullop's two-base hit and Rawlings scored when Easterly fumbled. The final tally for Kansas City was made when Easterly singled, scoring Goodwin. The sole run of the locals was made by Johnson in the third, when Easterly fumbled Goodwin's throw. The St. Louis fans tried to confuse the visitors by waving newspapers, but without effect. Score:

KANSAS CITY	R. H. E.
Chicago	0 0 0 0 3 0 0 1 0 9 9 9
St. Louis	0 0 1 0 0 0 0 0 0 1 9 2
Batteries—Cullop and Easterly; Davenport, Crandall and Hartley.	

Sad Ending for Baltimore.

BALTIMORE, October 2.—The local base ball season ended this afternoon with Newark taking both ends of the double-header. The first was easy, 7 to 1, while the locals put up a good fight in the second, the score being 3 to 2. Mostly struck out twelve men in this game. Scores:

FIRST GAME.	R. H. E.
Newark	0 0 3 3 0 0 0 0 1 7 3 0
Baltimore	0 0 0 1 0 0 0 0 0 1 3 0

AGGIES DROP GAME

Lose to Haverford in Hard-Fought Battle, 0 to 7.

CROSMAN IS THE STAR

Gains Much Ground for Pennsylvania Team by Brilliant Running.

Special Dispatch to The Star.

HAVERFORD, Pa., October 2.—In a game that was well played and fiercely contested for so early in the season the Maryland Agricultural College was defeated by Haverford here today by 7 to 0. The lone touchdown made by the local eleven came near the end of the third period after the two teams had fought each other almost to a standstill prior to that.

With only a minute left of the third quarter, Haverford succeeded in getting away with a long forward pass, which the Aggies' defense failed to intercept. That placed the ball in a position very close to the visitors' goal line, from where Crosmann took the ball over in four plunges.

Farmers Unable to Gain.

M. A. C. was outplayed by just about the margin the touchdown indicated. The Farmers were not able to gain consistently against Haverford's fast charging forwards, while excepting a few moments at the start of the contest and in the few gains on touchdowns, the game was made the Haverford offense was not dangerous.

Crosmann and Moon played brilliantly for Haverford, while the work of Hindman and Axt was best for the Maryland team. Crosmann was the particular light, gaining much ground, which was marred considerably by many arguments between officials and players, the former having to take recourse to the rule book on numerous occasions.

Line-up and summary:	Haverford.
M. A. C.	Position.
Montgomery	Left end.
O'Brien	Left tackle.
Thurston	Left guard.

Largest Score for Wisconsin.

MADISON, Wis., October 2.—Wisconsin University defeated Lawrence College today by a score of 82 to 0.

By using the forward pass consistently throughout the game Wisconsin scored almost at will, often making from fifteen to twenty yards.

E. Simpson and Buck played an excellent defensive and offensive game, the latter twice making a touchdown on a fumbled ball. Lawrence played in very poor form, making continuous fumbles.

SMALL BALLS DO NOT PRODUCE LARGE SCORES ON THE ALLEYS

Low Counts in Bowling Matches Due to Change in Size of the Sphere Under A. C. B. A. Administration.

Schedule in Bowling Leagues for Tomorrow

Northeast League—Thomas Jefferson Council vs. Union Princes.
Marine Corps League—Olson vs. Isabella.
Interclub League—States Relations vs. Plant Industry.
Arcade League—Gandall vs. Nationals.
National Capital League—Potomac vs. Fairfax.
District League—Resolute vs. Sherman.

The new rules put into use generally in the bowling leagues this year, and adopted last season by the Atlantic Coast Bowling Association are causing the sport to be productive of much smaller scores than usual. While it is not to be expected that big counts will be made in the early part of the year, it is evident that there are not going to be as consistently high marks registered as was the case a year ago, and it is due to nothing other than the new regulations regarding the pins and balls.

During the bowling done by several of the circuits which were active last week one or two games were chalked up above the average, but on the whole the counts ran very small. And it may be that the bowlers will be able to control the ball as well as if it were a little larger, and I question very much if the pins are as large as they should be. The average bowler wants to get a creditable score when he rolls, and he does not think the bowler will be able to control the ball as well as if it were a little larger, and I question very much if the pins are as large as they should be. The average bowler wants to get a creditable score when he rolls, and he does not think the bowler will be able to control the ball as well as if it were a little larger, and I question very much if the pins are as large as they should be.

At least one man thinks that a mistake has been made, and he happens to be a bowler. He is Harry Krauss, a bowler in the District circuit, and he is in talking over the subject with some alley enthusiasts the other day Krauss said:

"I think there is not going to be as much satisfaction in the game as there was with the old balls. Generally speaking, I do not think the bowler will be able to control the ball as well as if it were a little larger, and I question very much if the pins are as large as they should be. Illinois Shuts Out Haskell.

CHAMPAIGN, Ill., October 2.—Illinois defeated Haskell today, 36 to 0. Many penalties, mostly against Haskell, marked the game. Illinois made repeated consistent gains. Macomber of Illinois was prominent with excellent kicking and passes. Clark and others in the backfield also showed well.

The first score came after ten minutes of play, when Halstrom carried the ball twenty yards to goal. In the second quarter a pass from Clark to Brennan netted twenty-five yards and a touchdown. The last two quarters were replete with sensational runs.
